

CURRICULUM VITAE (CV)

PERSONAL INFORMATION

First Name : Neema
Middle name : Theonest
Last name : Bakengi
Address : P.O. Box 754
Mobile : +255 621 833 674 And +255 744 383 674
E-mail : neematheonest67@gmail.com
Nationality : Tanzanian
Date of birth : 10/09/2002
Gender : Female
Marital Status : Single
Language : English/Swahili

PROFESSIONAL SUMMARY

I am a motivated Environmental and Natural Resources Conservation professional with strong expertise in biodiversity protection, climate action, and sustainable natural resources management. I have hands-on experience in coordinating impactful conservation projects, mentoring youth, and conducting researches in environment management field of mangrove restoration and forest ecosystems. With skills in stakeholder engagement, capacity building, report writing, and advocacy, I bring technical knowledge and passion for advancing community-based conservation solutions. And I am committed to driving sustainable development through environmental protection, youth empowerment, and innovative approaches to natural resources conservation.

EDUCATION BACKGROUND

YEAR	SCHOOL	AWARD
2022– 2025	Mbeya University of Science and Technology (MUST)	Bachelor degree of Science in Natural resources conservation

2020– 2022	Nuru High school	Advanced certificate of secondary education examination (ACSEE)
2017– 2019	Mwanza Baptist Secondary school	Certificate of secondary education (CSEE)
2009-2016	Living Waters Primary school.	Primary certificate

Note: In secondary level I didn't study form one, therefore I skipped to Form two and proceed with studies up to form four.

WORKING EXPERIENCES:

➤ Project Coordinator – SOA Tanzania, Bagamoyo

I led biodiversity protection projects on mangrove restoration and ocean clean up in Bagamoyo during Ocean Bootcamp. And coordinate community engagement and youth participation in coastal ecosystem conservation.

➤ Research Assistant – Mangrove Deforestation Studies

I conducted field research on the causes and consequences of deforestation, by analyzing data on biodiversity loss, ecosystem services, and community livelihoods. Where I shared findings with stakeholders to inform conservation strategies.

➤ Community Empowerment and Capacity Building Intern – SOA & SiA

I empowered communities through mentorship and technical guidance in forest conservation and mangrove restoration, fostering environmental stewardship, sustainable livelihoods, and active participation in protecting and restoring ecosystems.

➤ Training session Host – International Climate Justice Camp

I moderated international discussions on climate justice, clean energy transitions, and youth-led financing of climate solutions. While integrating marine biodiversity conservation especially restoration of Mangroves plant species.

➤ Media Advocacy for Climate Action

I worked with national and community media outlets to promote climate action awareness, tree planting campaigns, and environmental conservation messaging.

➤ Natural Resources Officer Collaboration in Mbeya City Council

I supported establishment of measures to protect Mount Loleza Forest Reserve. Through conducting awareness programs for villagers and their committees on sustainable land, water, and forest resource use.

➤ **Project Coordinator – Plastic Recycling Project**

Under SOA Organization, I Coordinated the project of collecting and recycling plastic bottles, reducing pollution and promoting a circular economy model in local communities. Whereas different stakeholders were involved especially in this environmental awareness campaigns of plastic bottles collection.

➤ **Champion – Sustainable Paper Charcoal Project**

I championed in providing advocacy in transforming waste paper into sustainable environmental charcoal as an alternative energy source, while addressing deforestation and waste management challenges.

➤ **Mentor And Advocate – School Tree Planting Campaigns**

Provided mentorship and advocacy in schools through campaigns of planting trees for a better future. Empowered students with environmental knowledge and instilled a culture of conservation among youth.

SKILLS AND COMPETENCIES

➤ **Mangrove restoration and ocean conservation**

Experienced in restoring mangroves and protecting marine ecosystems, by enhancing biodiversity and supporting sustainable community livelihoods.

➤ **Community training, mentorship, and capacity building**

I am skilled in mentoring communities, improving knowledge, practical skills, and engagement them in environmental conservation initiatives.

➤ **Stakeholder engagement with local communities, CSOs, and government**

Proficient in collaborating with stakeholders, fostering partnerships, and ensuring inclusive decision-making for conservation projects.

➤ **Data collection, analysis, and report writing**

I am capable in collecting and analysing field data, producing reports that support evidence-based environmental conservation strategies.

➤ **Climate Change Adaptation and Mitigation Strategies**

I implemented reforestation, mangrove restoration, and agro-waste charcoal innovation through the NextGen Climate Resilience Project while conducting community climate advocacy for sustainable adaptation and greenhouse gas reduction.

➤ **GIS and Remote Sensing (ArcGIS, QGIS, Google Earth Engine)**

I have skills in using GIS and Remote sensing tools, that i applied GIS and satellite tools to assess forest cover in Mount Ioleza and along Mangroves coverage area at Bagamoyo, producing accurate data for management planning, biodiversity monitoring, and ecosystem protection strategies.

➤ **Proficient in MS Office (Word, Excel, PowerPoint, Internet tools)**

Skilled in MS Office tools for data management, report preparation, and efficient project documentation.

➤ **Environmental project coordination and leadership**

Experienced in planning, leading, and implementing conservation projects with measurable impact.

➤ **Research, data collection, and report writing**

Competent in conducting environmental studies and translating findings into actionable reports.

➤ **Media advocacy on conservation and climate action**

Use of social and traditional media to raise awareness and inspire action for environmental protection.

• **HOBBIES**

- Reading Novels, Listening to Motivation speakers, Coding and Tech Innovation, watching different leaders' speeches, Peer Supporting Network and Doing Body Fitness exercises.

AWARDS RECOGNITIONS AND CERTIFICATES:

• AWARDS RECOGNITIONS

- Best Environmental Conserver: Tanzania Universities Awards (2023)
- Best Young Leader in Media: Awarded a Trophy as outstanding leadership in media and Youth Engagement. That Organized by Bethel Leadership Awards 2024.
- Best Leader in Communication and Contents Creation: I was recognized for impactful communication and Youth empowerment initiatives under regional leadership.
- Outstanding a fifth Runner-Up: During My Giving Story Competition 2023, Honored by Philanthropy Tanzania as Contribution to social impacts and community service.
- Best Debater- EU Debate Competition Tanzania: Recognized for exceptional debating skills and critical thinking in policy discussions.

CERTIFICATES:

Certificate of Best Environmental Conserver – Universities Awards

Certificate of Best Young Leader in Media – Bethel Excellence Awards

Certificate of Best Debater Participant – EU-Debate Competition

Certificate of Completion – OMLA Fellowship 2024 Program

Certificate of Best Outstanding Giving Tuesday Winner 2023
